

# Welton Campsite Clean Up

**Where:** Welton Campsite, Welton Lane, NN11 2HA

**When:** Sunday 26<sup>th</sup> November 1pm till 3:30pm

**Who:** Adult volunteers, if you need to bring your own young people, please make sure they are supervised at all times. We would recommend they don't litter pick because of objects like broken glass.

**What:** We are aiming to clean the woods of litter that was caused by people during Covid to allow us to get the site ready for use again. Litter picking equipment will be supplied if required but if you have a litter-picker please bring with you. Please ensure you bring stout shoes and protective gloves.
